

Chillicothe R-II Protocol for Returning Essential Employees

The Chillicothe R-II School District will abide by the Declaration of Essential Workers that was approved by the Livingston County Health Department on September 23, 2020. The Chillicothe R-II District has agreed to the following protocol when working with the local Declaration of Essential Workers:

1. The declaration has identified administrators, faculty and staff of all Livingston County Schools as Essential Critical Infrastructure Workforce
2. If a Chillicothe R-II District employee has been placed under quarantine, they may return to work in any district buildings, if they:
 - a. do not present any symptoms of COVID-19;
 - b. do not have a positive test result for COVID-19;
 - c. wear appropriate face coverings during the duration of the work day;
 - d. maintain appropriate social distance from all Chillicothe R-II students, staff, and guests (six feet);
 - e. continue to follow the quarantine order before and after school due to the quarantine order still existing;
 - f. pass a temperature check before the work day, and the temperature must be below 100.4 degrees.
3. If an employee has been quarantined but is not COVID-19 positive, nor symptomatic, then they must return to work. If the employee chooses to stay home, they must use their general leave days.
4. If at any time, the returning essential worker presents symptoms of COVID-19, or receive a positive COVID-19 test result, then they will be required to complete their necessary quarantine period, or isolation.
